Knox County Schools (KCS) Process for Clinical Placements:
Risk-Management Procedures for PRACTICUM students
Update: November 20, 2024

BE THE CHANGE! BE A TEACHER!

All candidates placed in KCS will need to complete the onboarding process. This guide is for students who are completing a practicum in the schools. If you are completing an internship or Student Teaching, please refer to the intern and student teacher guide. Please note that KCS will run a background check on all students. This background check is in addition to the background check students had to complete in order to be admitted to UTK's teacher education program. There will not be a cost for students when KCS runs a background check.
