

## Student Plans of Study

*\*Note, campus students must enroll in campus-based courses and Distance Education students must enroll in DE courses. Once admitted into the MPH program, students should work with their assigned program advisors to complete a personalized plan of study worksheet.*

### CHE

Course	Semester Offered	Notes
<b>Foundation Courses</b>		
PUBH 509 Spring Seminar (1)	Spring (DE and Campus)	Take in the first spring semester in the program
PUBH 509 Fall Seminar (1)	Fall (DE and Campus)	Take in the first fall semester in the program
PUBH 510 Environmental Health (3)	Fall, Summer (DE); Spring (Campus)	
PUBH 520 Policy, Systems, Leadership (3)	Fall, Spring, Summer (DE) Spring (Campus)	
PUBH 530 Biostats (3)	Fall, Spring (DE); Fall (Campus)	
PUBH 537 Program Evaluation (3)	Fall, Spring (DE); Fall (Campus)	PUBH 552 prerequisite
PUBH 540 Epidemiology (3)	Fall, Spring (DE); Fall (Campus)	
PUBH 552 Assessment & Planning (3)	Fall, Spring, Summer (DE); Fall (Campus)	
<b>Concentration Courses</b>		
PUBH 536 Research Methods (3)	Fall, Spring (DE); Fall (Campus)	PUBH 530 & 540 recommended prior to taking this course
PUBH 555 Health & Society (3)	Fall, Spring (DE); spring (Campus)	
PUBH 556 Grant Writing (4)	Fall, Spring (DE); Fall (Campus)	PUBH 552 prerequisite
<b>Electives</b>		
Elective (3)	Varies by elective	Advisor approval required
Elective (3)	Varies by elective	Advisor approval required
<b>Post-course Requirements</b>		
APEX (6, may be taken over 2 semesters at 3 hours each semester)	Fall, Spring, Summer (DE and Campus)	
Comprehensive Exam	Fall, Spring (DE and Campus)	
Note: You must meet with your advisor the semester prior to taking APEX/comprehensive exams to complete the <a href="#">application to candidacy form</a> .
