

# Core Values

## of KRSS Student Support

### Our Mission

We use a holistic approach to support scholars in the Department of Kinesiology, Recreation, and Sport Studies in their pursuit of success.

### Integrity

We value accountability, transparency, and ethical behavior in our interactions with others.

### Commitment to Growth

We commit to life-long learning and continual professional development.

### Advocacy

We seek to foster an environment in which people feel respected, valued, included, and supported.

### Relationships

We build relationships characterized by mutual respect, collaboration, and holistic and developmental conversations

### Empowerment

We equip others with the resources needed to take ownership of their own journey.
